

### **I. AMENDMENTS TO THE DRAWINGS**

During the course of reviewing the present application, it was noticed that item 110λ of Figure 2 included incorrect indices. Accordingly, the bottom index "N+1" on each side of item 110λ of Figure 2 has been replaced by the index "N+K" as specified on page 9, lines 4-5 of the specification as filed.

It was also noticed that item 614 of Figure 6A had improper "Y" and "N" labels. Therefore, the "Y" and "N" labels of item 614 of Figure 6A have been interchanged as specified on page 25, line 32 to page 26, line 2 of the specification as filed.

Similarly, it was also noticed that item 612J of Figure 6B and item 622J of Figure 6C each had improper "Y" and "N" labels. Accordingly, the "Y" and "N" labels of items 612J and 622J of Figures 6B and 6C, respectively, have been interchanged as specified on page 30, lines 1-7 and page 33, line 26-32 of the specification as filed.

Attachment: Replacement Sheets containing the amended drawings are found in the Appendix following page 29 of this paper.
